

# HOTSY Detergents

## Concentrated Liquid Detergents: Strong enough to power away grease

### Breakthrough!

**Breakthrough! — This highly-concentrated detergent** is extremely popular and effective for tackling crude oil and caked-on buildup of fifth-wheel grease ... yet it's gentle enough for fine finishes on cars.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-136.0	52653	liquid, 5 gal	46	8.905-137.0	52655	liquid, 55 gal	504

### Blue Thunder

**Blue Thunder — Another popular vehicle cleaner for removing exhaust deposits,** road film and bug residue. Excellent for older vehicles with faded finishes. Works well in cold water.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-442.0	54053	liquid, 5 gal	46	8.905-443.0	54055	liquid, 55 gal	495

### Super XL

**Super XL — An all-purpose detergent popular in the agriculture,** construction, transportation and food industries. It is safe on all surfaces, easy to use, low-foaming and free rinsing.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-725.0	51203	liquid, 5 gal	46	8.904-728.0	51205	liquid, 55 gal	494

### Carbon-ATE

**Carbon-ATE — A highly-concentrated detergent for tackling engine degreasing,** parts cleaning, hard-to-clean vehicles, road film, carbon smoke trails, plus food and grease build-up ... in both hot and cold water. Excellent for whitewalls. "Fresh & Clean" scent.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-896.0	51753	liquid, 5 gal	47	8.904-898.0	51755	liquid, 55 gal	506

### Power-Shine

**Power-Shine — A highly-concentrated vehicle cleaner** that produces rich suds to increase surface dwell time and cleaning action. Excellent for road film and oxidized paint. Works well in hard water and leaves a shine. "Fresh & Clean" scent. Safe on polished aluminum.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-912.0	51803	liquid, 5 gal	48	8.904-913.0	51805	liquid, 55 gal	517

### Carbon-ATE-Plus & Power-Shine Plus

**Carbon-ATE-Plus & Power-Shine Plus — A special wax added to Hotsy Carbon-ATE and Hotsy Power-Shine,** results in two outstanding detergents. Both provide durable, attractive finishes that keep dirt from adhering to surfaces, protecting them against salt, air pollution and acid rain. Easy to rinse with reduced water spotting. "Fresh & Clean" scent.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
<b>Carbon-ATE-Plus</b>							
8.904-832.0	51503	liquid, 5 gal	47	8.904-833.0	51505	liquid, 55 gal	506
<b>Power-Shine Plus</b>							
8.904-817.0	51453	liquid, 5 gal	48	8.904-819.0	51455	liquid, 55 gal	517

### Ripper I

**Ripper I — Highly concentrated, non-caustic cleaner** for heavy equipment and trucks. This fast-acting cleaner is especially effective on off-road and grease-clogged equipment and great on hard-to-remove road film on tractor/trailers. Safe to use indoors and on all painted surfaces. "Fresh & Clean" scent.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-846.0	51653	liquid, 5 gal	47	8.904-847.0	51655	liquid, 55 gal	506

### Ripper II

**Ripper II — This extra-heavy-duty detergent is caustic-based for really tough cleaning jobs** such as heavy equipment and off-road machinery. Extra cleaning action attacks hydraulic-oil stains and is particularly effective on heavy deposits of dirt and grease. Do not use on aluminum, galvanized metal and fine painted surfaces.

## Concentrated Liquid Detergents: Strong enough to power away grease

### Nytro

**Nytro** — Truckers and fleet-maintenance specialists swear by this heavy-duty detergent. It makes diesel smoke stains, road film and gummy grease residue disappear. It's equally effective on floors, walls and windows. Use this powerful cleaner where other detergents and chemicals fail.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-929.0	51873	liquid, 5 gal	47	8.904-930.0	51875	liquid, 55 gal	513

### Product 31

**Product 31** — Here's an all-purpose vehicle cleaner for a wide range of applications. Use it on over-the-road tractors and trailers, truck fleets and cars. Powerful yet gentle cleaners attack road film and dirt while protecting painted surfaces. "Fresh & Clean" and "Cashmere" scent.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-931.0	51883	liquid, 5 gal	49	8.904-932.0	51885	liquid, 55 gal	520

### Transport Vehicle Wash

**Transport Vehicle Wash** — This liquid detergent cleans stainless steel, aluminum, glass and painted surfaces such as cars, trucks, busses, RVs, trailers, mobile homes, tractors, etc. Perfect for use as a pre-spray for cleaning engines, whitewall tires, vinyl and metal tops.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs

### Carbo-Chlor

**Carbo-Chlor** — A special emulsifying formula with high-powered bleach for processors, packers and packagers of foods, fish and meats. It's great for stubborn stains, dirt, odors, oils and fats left behind on equipment, floors and walls. Chlorinated for extra PUNCH.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-979.0	52053	liquid, 5 gal	46	8.904-980.0	52055	liquid, 55 gal	495

### Cleaner / Phosphatizer 2

**Cleaner / Phosphatizer 2** — A complete and economical detergent and phosphatizing system for one-step cleaning and phosphatizing of iron and steel parts. Equally effective in spray, dip and wipe-on applications.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-977.0	52003*	liquid, 5 gal	51	8.904-978.0	52005	liquid, 55 gal	525

\*cannot ship UPS

### Liquid Foamer

**Liquid Foamer** — When combined with most detergents, it creates mountains of suds and increases dwell time to loosen dirt, grease and oil. Designed for use with foam generators and revolving brushes.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-527.0	55603	liquid, 5 gal	46	8.905-528.0	55605	liquid, 55 gal	490

### Aero One

**Aero One** — Approved for aircraft use, this non-toxic detergent has met rigorous standards set by Naval Air Development Command; Lockheed (Aerospace Specification AMS-1526); The Boeing Company and McDonnell-Douglas. High concentrations of corrosion inhibitors fight the effects of salt air, air pollution and acid rain.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-634.0	59253	liquid, 5 gal	47	8.905-636.0	59256	liquid, 55 gal	505

### Miracle Wizz

**Miracle Wizz** — An unsurpassed liquid for removing baked-on carbon found in food preparation, bakeries, restaurants, food-processing plants, etc. It's also great for engine degreasing and graffiti removal.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs

### Enviro-Clean

**Enviro-Clean** — This phosphate-free detergent is excellent for communities where phosphates are prohibited from entering municipal wastewater treatment facilities. It's safe for all kinds of cleaning, yet has the cleaning power of highly concentrated degreasers.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-927.0	51863	liquid, 5 gal	47	8.904-928.0	51865	liquid, 55 gal	509

### Citrus Clean

**Citrus Clean** — This citrus-based detergent additive increases any detergent's cleaning and degreasing power. It also enhances rinsing and is a great degreaser in its own right.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-985.0	52103	liquid, 5 gal	44	8.904-986.0	52105	liquid, 55 gal	466

### Rinse Aid

**Rinse Aid** — An economical additive for rinse cycles, Hotsy Rinse Aid prevents spotting on vehicles.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-609.0	57303	liquid, 5 gal	46	8.905-610.0	57305	liquid, 55 gal	491

## Specialty Cleaning Products: From concrete cleaning to coil conditioning

### Hotsy "99"

**Hotsy "99"** — A highly concentrated formulation of non-fuming inhibited phosphoric acid and surfactants that remove concrete, welding smut, hard-water scale, rust, mortar and diesel smoke. It is ideal for cleaning and descaling concrete trucks, metal surfaces, equipment, bricks and glass. Do not use on polished aluminum.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-842.0	51583*	liquid, 5 gal	51	8.904-843.0	51585*	liquid, 55 gal	546

### Hotsy Rally

**Hotsy Rally** — This is the best brushless truck wash on the market. Used independently and regularly for brushless truck washing, Rally removes dirt as well as oxidized paint, leaving a streak-free finish.

Part No.	Orig. No.	Description	Shipping Lbs
8.904-762.0	51285*	liquid, 55 gal	517

\*cannot ship UPS

### Polished Aluminum & Stainless Steel Cleaner

**Polished Aluminum & Stainless Steel Cleaner** — This non-etching specialty cleaner contains a concentrated blend of surfactants and glycol ethers to quickly penetrate and clean a variety of dirt, grease, oil, road film, diesel smoke and welding smut.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-749.0	51253	liquid, 5 gal	48	8.904-751.0	51255	liquid, 55 gal	521

### Paint & Powder Coat Stripper II

**Paint & Powder Coat Stripper II** — This product quickly removes all types of paint and powder coatings and is safe for use on aluminum, steel, iron, stainless steel, brass, copper alloys and plastics. It is not an EPA hazardous waste at pH levels less than 12.5. Do not use on polished aluminum.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-113.0	52613	liquid, 5 gal	49	8.905-115.0	52615	liquid, 55 gal	518

### TML Floor Scrubber Compound

**TML Floor Scrubber Compound** — For use in all industrial floor-scrubbing applications, this cleaner is non-foaming, phosphate free and solvent free. It is safe for use on painted surfaces.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-735.0	51223	liquid, 5 gal	51	8.904-737.0	51225	liquid, 55 gal	548

### Degreasing Powder

**Degreasing Powder** — Used for removing grease and oil from floors, this powder can either be sprinkled on a pre-wetted floor or mixed with water and used in scrubber machines. Not for use on blacktop.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-544.0	56303	25 lb box	26	8.905-546.0	56307	100 lb drum	103
8.905-545.0	56306	50 lb box	51	8.905-547.0	56308	400 lb drum	419

### 400 Wax

**400 Wax** — Added to a final rinse, this long-lasting liquid wax creates a durable finish that improves a vehicle's appearance and keeps dirt from adhering to the surface. It gives added protection against salt, air pollution and acid rain. With a dilution ration of 2000 to 1, this is a highly economical wax.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-531.0	55703	liquid, 5 gal	43	8.905-532.0	55705	liquid, 55 gal	462

### Coil Conditioner

**Coil Conditioner** — A special conditioner for removing hard water deposits and scale from the internal surface of heating coils.

Part No.	Orig. No.	Description	Shipping Lbs
8.904-764.0	51302*	powder, 2 lb Containers, Qty 12	28

### Ripper III

**Ripper III** — This heavy-duty degreaser will strip paint and powder coated surfaces. DO NOT USE on aluminum, magnesium, galvanized metal or fine painted surfaces.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.904-839.0	51573	liquid, 5 gal	51	8.904-840.0	51575	liquid, 55 gal	550

### Hotsy Brown

**Hotsy Brown** — A caustic based detergent for fast and thorough cleaning. Hotsy Brown is a non-butyl product that is particularly effective on carbon based deposits such as road film and exhaust stains, as well as dirt and grease. Not recommended for use on fine finishes, aluminum, galvanized metal or magnesium.

Part No.	Description	Shipping Lbs	Part No.	Description	Shipping Lbs
8.915-455.0	liquid, 5 gal	42	8.915-453.0	liquid, 55 gal	451

## Specialty Cleaning Products: From concrete cleaning to coil conditioning

### Enviro Gard 1

**Enviro Gard 1** — For use with Hotsy Recycle Systems. This phosphate-free, biodegradable liquid contains a new generation of surfactants that are readily destroyed by chlorine or bleach, thereby preventing residual build-up. Oils and greases are rapidly released, maximizing separation.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-120.0	52623	liquid, 5 gal	46	8.905-121.0	52625	liquid, 55 gal	492

### Enviro Gard 2

**Enviro Gard 2** — Formulated for use with filtration-type or gray water recycle systems. This phosphate-free, biodegradable liquid releases oils and greases rapidly for maximum separation. Low solid content reduces build-up, allowing more cycles between discharge.

Part No.	Orig. No.	Description	Shipping Lbs	Part No.	Orig. No.	Description	Shipping Lbs
8.905-123.0	52633	liquid, 5 gal	46	8.905-124.0	52635	liquid, 55 gal	487

### Hotsy Defoamer

**Hotsy Defoamer** — This biodegradable defoamer is added to parts-washer cleaning solutions to reduce foam buildup. Hotsy Defoamer does not interfere with the detergent's normal cleaning ability.

Part No.	Orig. No.	Description	Shipping Lbs
8.904-652.0	50012	Hotsy Defoamer, Qty 4, 1 gal containers	36

### TubMate All-Purpose

**TubMate All-Purpose Detergent** — a concentrated powder for cleaning a variety of parts, including iron, steel, soft metals, plastics and electronics. Contains defoamers to reduce foam in the sump solution.

Part No.	Orig. No.	Description	Shipping Lbs
8.904-777.0	51402	TubMate All-Purpose, Qty 4, 10 lb boxes	44
8.904-779.0	51404	TubMate All-Purpose, 45 lb box	47
8.904-782.0	51406	TubMate All-Purpose, 100 lb drum	103
8.904-785.0	51408	TubMate All-Purpose, 450 lb drum	469

### TubMate Torque

**TubMate Torque** — A heavy-duty parts washer detergent that contains d-Limonene, a citrus based cleaning agent particularly effective in penetrating and cleaning hard to remove grease, oil, tar and carbon based deposits.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-262.0	52862	TubMate Torque, 40 lb Pail	43
8.905-263.0	52864	TubMate Torque, 400 lb Drum	415

### TubMate General-Purpose

**TubMate General-Purpose liquid** — a phosphate-free, biodegradable, super-concentrated liquid. Works great with automatic detergent injectors. Defoamers reduce foam in aqueous parts washers.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-144.0	52673	TubMate General-Purpose, liquid, 5 gal	51
8.905-150.0	52675	TubMate General-Purpose, liquid, 55 gal	548

### TubMate Aluminum & Alloy Cleaner

**TubMate Aluminum & Alloy Cleaner** — a heavy-duty liquid detergent, that's safe for all soft metals, such as aluminum, magnesium, nickel, copper and brass.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-106.0	52603	TubMate Aluminum & Alloy Cleaner, liquid, 5 gal	46
8.905-109.0	52605	TubMate Aluminum & Alloy Cleaner, liquid, 55 gal	493

## Parts Washer Detergents: Engineered for aqueous cleaning

### TubMate Iron & Steel Cleaner

**TubMate Iron & Steel Cleaner** — a **heavy-duty liquid detergent**, perfect for truckers, manufacturers, railroads, food processors, bakeries and other applications requiring the removal of heavy grease, baked-on carbon, loose paint and coatings.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-087.0	52583	TubMate Iron & Steel Cleaner, liquid, 5 gal	48
8.905-091.0	52585	TubMate Iron & Steel Cleaner, liquid, 55 gal	517

### TubMate Phosphatizer / Cleaner

**TubMate Phosphatizer / Cleaner** — a **complete one-step detergent and phosphatizing system** for cleaning metal parts and preparing them for painting.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-074.0	52573	TubMate Phosphatizer / Cleaner, liquid, 5 gal	51
8.905-077.0	52575	TubMate Phosphatizer / Cleaner, liquid, 55 gal	543

### Vapor Corrosion Inhibitor

**Vapor Corrosion Inhibitor** — is **carried in water vapor and helps prevent rust**, not only on your automatic parts washer's internal surfaces, but also on cleaned metal parts that would normally rust if left in the basket of a hot parts washer.

Part No.	Orig. No.	Description	Shipping Lbs
8.905-168.0	52712	Vapor Corrosion Inhibitor, liquid, Qty 4, 1 gal	37
8.905-169.0	52713	Vapor Corrosion Inhibitor, liquid, 5 gal	46
8.905-170.0	52715	Vapor Corrosion Inhibitor, liquid, 55 gal	493

### Finish Line Manual Parts Washer Detergent

**Finish Line Manual Parts Washer Detergent** — a **fully biodegradable, phosphate-free, neutral pH, water-based detergent** designed specifically for the Hotsy PitStop Manual Parts Washer. Finish Line removes greases, oils and grime from metals, painted and plastic parts.

Part No.	Orig. No.	Description	Shipping Lbs
8.904-738.0	51233	Finish Line Manual Parts Washer Detergent, liquid, 5 gal	43

# Six reasons to choose Hotsy Detergents

*Your choice of detergents is critical if you want the best possible cleaning results...and the longest life from your equipment.*

## Clearly, for all types of pressure washers and parts washers, the preferred choice is Hotsy detergents.

Why? Because Hotsy cleaners are formulated by experienced detergent chemists who have a thorough understanding of pressure-washer and parts-washer systems, as well as cleaning applications. Then, they're produced under strict quality control in Hotsy's own detergent manufacturing facility. The benefits to you include:

- *The best possible cleaning results*
- *Lower operating costs*
- *Longer equipment life*
- *Environmentally friendly operation*
- *Expert service and support*
- *A broad choice of detergents, optimized for specific cleaning applications*

### 1. Most effective cleaning

Unlike so-called "economy" products, Hotsy detergents are designed specifically for high-pressure, high-temperature cleaning. Hotsy detergents actually become more effective as temperatures increase. Inferior detergents begin to decompose under high temperature and pressure. The resultant precipitants form deposits that are bad news for the equipment you're cleaning as well as the pressure- or parts-washer itself.

Hotsy detergents are also tailored to specific cleaning applications. You'll find 50 individual formulations to choose from, which means you're sure to find one designed to tackle your specific cleaning task...with the least amount of time and effort, and at the lowest cost.

### 2. Economical operation

Hotsy detergents are super concentrated. They're designed to blend with water in ratios up to 128 parts of water to 1 part of detergent. Compare that to economy brands and you'll see why Hotsy detergents go a long, long way, and keep your operating costs low.

Hotsy also gives you a choice of economical ways to buy detergents, from 5-gallon pails to 55-gallon drums to BulkPaks that provide up to 200 gallons of on-site storage. You can also get Hotsy's economical powder detergents in package sizes from 10 to 450 pounds.

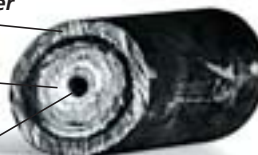

### 3. Preserves your equipment investment

Using inferior "economy" detergents can ultimately cost you plenty in

*Heat-exchanger cutaway*

*Lime & soap buildup*

*Reduced flow*

pressure-washer and parts-washer maintenance and replacement. That's because these products allow lime and soap to build up inside of system components and pipes in hard-water environments. The result is reduced performance, higher maintenance costs and shorter equipment life.

Most Hotsy detergents contain exclusive Hotsy Continuous Clean (HCC) additives, which help prevent lime and soap buildup. In addition, they contain corrosion inhibitors that not only help protect the internal parts of your equipment, but also help protect metal surfaces of the equipment you wash.

### 4. Environmentally friendly

You can use Hotsy detergents with complete confidence. They're safe for your equipment and safe around personnel. They have no unpleasant odors. And they're biodegradable, so they're safe for the environment as well. Most are USDA and Canadian Food Inspection approved. OSHA Material Safety Data Sheets are available on all Hotsy detergents.

### 5. Expert service & support

Your Hotsy representative is a cleaning-system specialist who takes a total-solution approach to your cleaning task. That means selecting the detergent that matches both your equipment and your application to give you the best cleaning solution at the lowest possible cost. Your representative is highly motivated to get – and keep – your business. That means giving you superior cleaning results.

To help achieve those results, your local representative is backed by Hotsy's detergent chemists. They're always available to assist in tough cleaning applications and to advise on the proper detergent selection.

### 6. Wide selection

Choose from 50 Hotsy detergent formulations. Each is biodegradable, and most are USDA approved. They contain water softeners and wetting agents for fast action in virtually any water condition. And they work well in both hot and cold water.
